Friday 27 – Sunday 29 November 2020

Additional online events and workshops from Monday 23 November

With large-capacity events facing restrictions for the remainder of 2020 we have taken the difficult decision not to hold flock in its usual format this year. We are creating a brand new and exciting platform, flock ONLINE 2020, which will allow Scotland's designer-makers to showcase and sell their work. The main selling event will run from Friday 27 November – Sunday 29 November and will be preceded from Monday 23 November with promotion of flock makers together with online workshops and events.

flock ONLINE 2020 will only be able to showcase between 40 and 50 makers. In our selection process we will be looking for a good spread of categories of work as well as a range of people at different stages in their careers. **There is an administration fee of £25 for successfully selected makers.**

If you would like to be considered please complete this application in full, sign and send with 3 high quality marketing images showcasing your work to mail@thebarnarts.co.uk by: **5PM Wednesday 23 September 2020**
